* → Ordinance no. 37.

An Ordinance providing for and regulating Quarantine. The board of county commissioners of the county of Wasatch ordains as follows.

Section 1. It shall be the duty of all physicians, or any other person, to report immediately to the county board of health all cases of diphtheria, small pox, scarlet fever and all other contagious or infectious diseases, of which they come in contact, or are aware of within the limits of Wasatch county, outside the limits of incorporated cities or towns.

Section 2. The county board of health may declare quarantine in any sanitary district in the county whenever in the judgment of the health board of such district it is deemed advisable or necessary and the board may whenever it deems necessary declare quarantine in any portion of the county.

Section 3. Any place declared under quarantine by the board of health shall have a yellow flag with the name of the disease in black letters printed on such flag, displayed in a conspicuous place, on such quarantined premises and it shall be unlawful for any person or persons to remove, destroy or in any way interfere with said flag without the permission of the

health board, health officer or some person in charge of sanitary district in which such flag is displayed.

Section No 4. No person who is or who has been afflicted with any infectious or contagious disease or that lodges where such infectious or contagious disease exists or has existed shall be permitted to leave such premises while such premises are under quarantine, ~~nor until such premises are under quarantine,~~ until such premises shall have been thoroughly disinfected without a permit from the board of health or health officer in charge, and ingress and egress to from such quarantine premises are prohibited except under the advice and directions of the health board, or health officer in charge of such premises and any person or persons so permitted to leave shall first thoroughly disinfect under the directions of a regular practicing physician. Provided that this section shall not have reference to the attending or any regular practicing physician.

Section 5. The health board shall be composed of the county commissioners the district health officers of the several health districts and at least one regular practicing physician and where practicable the county commissioners shall be the district health officers in the district where they reside. Any four members of the health board shall constitute a quorum to transact business, provided that at least two of such number shall be a county commissioner.

Penalty for violation of any of the provisions of this ordinance. Section 6. Any person who violates, disobeys, omits, neglects, refuses to comply with or resists any of the provisions of this ordinance is guilty of a misdemeanor and shall on conviction thereof be fined not to exceed Three Hundred Dollars or be imprisoned in the county jail not to exceed six months, or both such fine and imprisonment?

Section 7. This ordinance shall take effect on and after 28th day of Feb. 1902. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.
